## CandyManToken:

CandyMan Token:

Launch DATE: 11.11.2020 (11/Nov)

Token on Circulation: 10M (millions)

Mint Baton: "ALIVE"

## What Do we got from our AUDIT INFO:

The token is trustworthy and could be further minted, hence **WARNING:** The SLP Token doesn't have fixed supply, as mint baton is alive, the investment could be made even tho!

## NOTE:

Future minting of CandyMan could be leading to loss of your hold (%)!

You can trade your "CandyMan" on '@spicerunner', that may lead for other people to make the SELL price higher, may lead to get your funds DOWN!

Sincerely,
